DR. MARTIN'S Compound Syrup of Wild Cherry. Philis Compand is one of the best remedies ever offered to the public in Coughs, whether arising from Colds, or the Whooping Cough, of that dreadful malady, Consumption. Few remedies, in the short time it has been before the public, have effected so many cures. The proprietors are every day receiving orders for it at a distance, and in this city, in which they have been highly gratified to learn its good effects The Bishop of the Protestant Episcopal Church of Maryland, the Rt. Rev. W. R. Whitingham,) has authorized us to say he has used it in his own person with decided benefit; and our medical friends do not scruple to recommend it as one of the best remedies in Consumption, Bronchitis, Asthma, &c., which they have ever met & Son, Lafayette, do.; Henry Maynard, Madison, do. Island, whom we made acquainted with the preparation:

Kent Island, (Md.) June 22, 1847. Dr. Martin-Dear Sir :- Since my return home, I prescribed your Syrup of Wild Cherry in several cases; one in particular, a case of Asthma of long standing, (about 21 years,) a neighbor and patient of mine. Her disease has neverbeen benefitted by any Medicine which she has taken, and for the last year or two she has been confined entirely to the house. I do not know that she has had a good night's rest for a long time, but since she commenced taking your medicine (and she has only taken one bottle,) she is enabled to go to bed and sleep well all night. I think the medicine will make a perfect cure of her, and she is determined to give it a fair trial. Her husband. Mr. Rhoderick Earickson, is a merchant here, and says if you will send me some of it, he will act as your agent.

BY THE USE OF HART'S VEGETABLE EX TRACT. Dr. Hart: It is with no small degree of satisfaction that I am en-

abled to announce to you the complete restoration to health of my daughter, by the use of your Vegetable Extract. At the age of six years, (her age at present is sixteen,) she was first attacked with this dreadful malady called Epiteptic Fits. And until she commenced taking the Extract, she suffered with attacks of fits almost incessantly, and so severely as to threaten to drive reason from its throne, and render her insane-IDIOTIC.

Physicians pronounced her incurable, and could do nothing more for her. We had almost despaired of a cure, when hearing of the remarkable cures performed by the Vegetable Extract, we determined One prize of \$50,000, 1 do of 30,000, 1 do of 20,000, 1 do of 10. to give it a trial.
